Reference:

The Board invites the attention of the Government to the G.O. cited, wherein they have exempted the Ayurvedic practitioners in charge of the dispensaries run by the District Boards from payment of licence fees for the grant of the licence in Form III-A. A point of clarification has arisen now as to whether the exemption granted therein is also applicable to the dispensaries subsidized by the District Boards. The Board however considers that the Ayurvedic practitioners of the rural dispensaries subsidized by the District Boards should also be exempted from payment of the licence fees on the same score under which the dispensaries run by the District Boards have been exempted from such payment of licence fees. As there are no specific orders in the matter, the Board requests that the Government may be pleased to exempt such dispensaries subsidized by District Boards from payment of licence fees in respect of licence in Form III-A on a par with those run by the District Boards and requests early orders in this regard.
